

Project Overview

As of April 24, 2012

Current intersection of Holt & Alkire roads

Alkire Road and Holt Road Intersection Improvements

Description and Benefits: Project will consist of adding turn lanes to all directions of the intersection, a new traffic signal and resurfacing. The completed project will reduce congestion and improve safety.

Schedule: Construction will begin in the fall of 2012 or the spring of 2013.

Status: Design is complete. Funding has been identified for construction, which is projected to begin in spring 2013.

Costs:

Design	\$95,000
Construction and inspection	\$885,000
